Who are the Friends of Ayesha Community School?

**SUPPORTING AYESHA
COMMUNITY SCHOOL
SINCE 2010**

We are a group who aim to help the school primarily by raising funds which the school needs. We also have regular feedback meetings with the Principal and Vice Principal.

We are always looking for new members so if you would like to join us you can email us on FACS@ayeshas.org

Aims and Aspirations

In our last newsletter we had aimed to raise funds for two minibuses. Alhamdulillah people pledged £6,785 during our Ladies Event in February out of which £3,985 have already been received in cash. We are now short of £3,215 only to reach target of £10,000. Therefore, we request your help to raise the remaining amount and also urge the pledge holders to fulfill their pledges.

FACS have also set up Secondary Library during the year with the help of teachers and intend to set up a Primary Library in this academic year In Shaa Allah.

Previous years' funding from FACS have helped to purchase the folding dinner tables MashaAllah—This has made a huge difference to our children's lunch experience.

Meeting Cycle

FACS will be present at the school from 8:30am to 10:00am each Thursday. The purpose of increasing our presence at the school is to raise awareness that FACS exists and to encourage parents to join us in providing much needed help to our school. During these meeting parents can also raise any concerns, and make any suggestions.

We would like to take this opportunity to thanks all the teachers, volunteers, parents and students who made this possible.

Special thanks to those who donated Hoover for nursery, fryer and microwave for FACS.
